"A Passion For Excellence"

Business Description

Tanson Corp.

Business Description:

Tanson Corp. is a Minnesota based technology company offering competitive services in IT consulting and staff augmentation. We help businesses gain and maintain a competitive edge by placing highly experienced individuals into organizations and implementing technical solutions using trained creative professionals.

We believe people deliver results and drive a company's current and future successes. We coordinate and place individuals using their expertise in management consulting, strategic staffing, and software development so you can focus on business critical processes. Today's on demand world requires a company with a track record of delivering timely and quality results.
